

HIGHER DOCTORATE CO-AUTHORSHIP APPROVALS

This form should be completed by Higher Doctorate candidates only.

In accordance with Clause 2 of the [Higher Doctorate Submission Rules](#) a candidate must sign a declaration that confirms that the submission does not contain any material previously published or written by another person except where due reference is made in the text or footnotes. There can be no exception to this rule.

Multi-authored publications may be included for the submission of a Higher Doctorate provided:

- I. the candidate is the first, primary or corresponding author;
- II. the contextual statement describes the scope and scale of the candidate's contribution to research design, data collection and interpretation, and reading and drafting of **each** publication;
- III. The publication adheres to Flinders [Authorship of Research Output Procedures](#), and
- IV. The other three most significant co-authors provide permission for use of their work to be included for the Higher Doctorate on the form below.
